Some areas of the Aquarium are under construction while we're improving guest & animal experiences.

ABOUT US

The Oregon Coast Aquarium is a 501(c)3 nonprofit organization & AZA accredited facility, located on the beautiful Oregon Coast. Our mission is to create unique and engaging experiences that connect you to the Oregon coast and inspire ocean conservation.

ANIMAL REHABILITATION

We're taking care of more animals than you see during your visit! The Oregon Coast Aquarium's Wildlife Rehabilitation Program rescues and rehabilitates threatened and endangered animals as well as indigenous wildlife deemed injured by human interference.

Our goal is to mitigate human impact on wildlife in order to contribute to species conservation and prevent animal suffering.

SENSORY EXPERIENCES

As part of our ongoing effort to provide a welcoming environment for all guests, sensory signs are posted throughout the Aquarium. These help guests with sensory sensitivities navigate the Aquarium and be aware of the various stimuli.
